

2022 CONCEPT

CHALLENGE X WERTH

THE CHALLENGE

The Lt. Governor's Computing Challenge is a statewide coding competition for Connecticut students in grades 3 through 12. Participants are encouraged to develop **computing solutions** designed to inspire health and wellness for all!

WHY WERTH?

UConn's Werth Institute strives to support problem solvers at all stages of life through instruction and mentorship, and proudly partners with the Lt. Governor on the Concept Challenge to provide three optional workshops .
