

ATTN: Connecticut Alliance District Educators

LT. GOVERNOR'S
Computing Challenge

Get your students coding. Get your gift cards, too!

BECOME A CHALLENGE CHAMPION! NO EXPERIENCE NEEDED!

- Be one of the first 10 Alliance District educators to register as a Lt. Gov.'s Computing Challenge (LGCC) **Challenge Champion** and receive a **\$100 Amazon e-gift card**.
- Support 30 complete LGCC submissions from students in your school/district and receive a **\$150 Amazon e-gift card** at the June '24 recognition event.

Computing is not the future. It's the **here and now!** It's fun, and the LGCC is offering educators and students **FREE** virtual computing workshops to assist with LGCC submissions.

CT students in grades 3-12 can submit as individuals or groups in one of three categories: **Concept, Prototype, and Development.**

Educators: YOU HAVE SUPPORT!

You may not know CS, but your students do, **and they want to know more!!**
